CIHA DRUG AND ALCOHOL POLICY

Recognizing the need to protect CIHA employees and the public from the risks posed by the abuse of alcohol and drugs, the CIHA has established certain requirements of its employees and applicants for employment. A copy of CIHA’s Drug and Alcohol Policy as found in Article IX of the CIHA Personnel Policy is attached as part of this application.

The specific goals of the CIHA Drug and Alcohol Policy are to educate employees about the dangers and problems associated with substance abuse: facilitate the prevention of substance abuse, identify any employees who may be engaging in substance abuse and identify the substance(s), provide opportunities for counseling and treatment of employees abusing drugs and/or alcohol, protect the public and coworkers from those employees abusing drugs or alcohol and develop a drug free workplace and community.

The policy includes pre-employment drug testing of all applicants for employment. Once hired, random drug testing, post-accident testing and testing based on reasonable suspicion is a condition of continued employment.

Should I become an employee of CIHA. I agree to comply with the rules and regulations as described in the policy, I consent to drug and alcohol testing as outlined in the policy, and understand that failure to abide by the requirements of the policy may lead to disciplinary action being taken against me, which may include termination.

I hereby consent to the taking of my hair and/ or urine samples and to the testing of such samples by a drug testing laboratory designated by CIHA. I hereby further consent to the release of the drug/alcohol test results from the laboratory to a designated CIHA agent.
